BOARDING POLICIES

1. For the protection of your pet and the others in the boarding facility, proof of current vaccinations from your veterinarian must be provided. All dogs must be current on Distemper, Hepatitis (Adenovirus), Parvovirus, Bordetella, Parainfluenza and Rabies vaccines. Cats must be current on Feline Herpesvirus, Calicivirus, Panleukopenia and Rabies vaccines. We do not accept vaccines done at home for boarding purposes. Vaccines **must** be administered at least one week prior to the time of your reservation. Pets must have had a physical exam and a fecal evaluation (without parasites seen) within the past year.
2. If your pet is not on a flea preventive, we may administer one at our discretion to prevent an outbreak in the boarding facility. If fleas or flea dirt are noted, we **will** treat for fleas topically and/or orally. Furthermore, treatment for tapeworms (which may be transmitted via fleas) will be given. Charges for these treatments will be added to your invoice.
3. Boarding facility hours are Monday through Saturday from 9:00am to 5:00pm. Payment is due when you pick up your pet. For reservations lasting longer than two weeks, a deposit of half of the total estimated charges is due when the reservation is made.
4. The day of drop-off will be charged as one day of boarding. On the day of pick-up, if your pet is picked up before 12:00pm, you will not be charged for that day of boarding. Any pick-up after 12:00pm is considered another day of boarding.
5. Appropriate food can be provided to your pet. However, you are strongly encouraged to bring the food that your pet is used to eating. This reduces the chances that your pet will be picky about eating or experience intestinal upset. If your pet requires a special diet, you **must** supply enough food for the length of your reservation along with an additional supply, in case of emergency.
6. Bedding is provided for your pets. If you wish to bring your own bedding and it becomes soiled, we may be able to wash it if time permits and if it fits into a standard-sized washing machine. While we make every effort to keep personal items (bedding, toys, etc.) in their original condition, there is a risk that they may become damaged or lost.
7. If you would like for your pet to have a bath, examination, or any other services before going home, please let us know at the time of drop-off.

BOARDING FEES PER DAY (unless otherwise noted)

Dogs 0-<16 pounds	\$25.30
Dogs 16-<36 pounds	\$26.40
Dogs 36-<56 pounds	\$27.50
Dogs 56-<76 pounds	\$28.60
Dogs over 76 pounds	\$29.70
Cats	\$24.20
Extra Playtime	\$4.13 per 10 min. session
Medications	\$4.13 for medicating (up to 2 times daily)

DISCOUNTS

Current Patient Discount: A “current patient” is defined as a pet who has received at least a physical exam at Covington Creek Veterinary Hospital within the year prior to boarding. Pets can become current patients if an exam is performed while boarding, but still need to have had an exam within the year prior to boarding. Current patients of CCVH will receive a 5% discount off of the above listed rates.

Multiple Pet Boarding Discount: A discount of \$1.50 per day will be honored if more than one pet is being boarded in the same run or cage. ***This discount is applied per run or per cage, not per pet.*** Please note that the management of the Boarding Facility will make the final determination as to the appropriate number of pets per run or cage, and will not allow crowding.

Bath Discount: For boarders staying with us between 5 and 14 days, we offer a 50% discount off of our current bath rate. A free bath is offered to boarders staying 15 or more days. Nail trims are included. Prior arrangement is required.
